

MILITARY AND VETERANS

Keeping our promises to those who have and continue to serve our country bravely.

Legislative Accomplishments – NOW LAW!

Congressman Moore has consistently been a leading advocate for our active military, veterans and their families, including writing legislation to:

- Require the federal government to pay all **travel costs** for troops on R&R.
- Raise the **military death gratuity** from \$12,000 to \$100,000 for the families of those who have died in combat.
- Create a commemorative coin to help fund a national **memorial for disabled veterans**.

Current Agenda

Congressman Moore is currently working on the following legislative items:

- Working with the Dept. of Veterans Affairs (VA) to **better serve the growing number of men and women applying for VA assistance**, including improving the efficiency of the claims process.
- Prohibiting increases in **health care fees** for military retirees.
- Improving **mental health care** for veterans with Post-Traumatic Stress Disorder and/or Traumatic Brain Injuries.
- Continuing to provide **assistance for constituents** who have questions about or encounter problems with the VA or Department of Defense.

President Obama

Congressman Moore looks forward to working with President Obama and his staff in any cooperative efforts to assist those who served and those who continue to serve our country, including the following, which are priorities for the Obama Administration:

- Ensuring that all U.S. **troops are properly prepared** before being deployed overseas.
- Increasing **funding for the VA**, an issue for which Congressman Moore has been a tireless advocate.
- **Supporting military families**, which First Lady Michelle Obama has also championed.
